Dear Mr. Seymour:

The ASBA Awards Committee and Board of Directors is pleased to inform you that your company's project, the Brewster Municipal Tennis Court Complex is to be recognized as a winner in the Outdoor Tennis category of its annual awards program. There were many projects submitted this year that brought out excellent examples of our members' work; it gives us pleasure to announce your success.

Presentation of awards will be made at the opening breakfast on December 5th and the Facility of the Year Award Winners will be presented at the closing night dinner, December 6th at the 2010 Technical Meeting to be held from December 4-7 in Ponte Vedra Beach, FL. We hope you plan to join us for this meeting. (Bring your camera, too -- you'll want a photo of yourself receiving your award).

Your entry package will be retained on file at ASBA headquarters, along with winning entries from years past. In addition, your company's name will be added to the list of award winners published in each membership directory. ASBA frequently has the need for photos of excellent facilities to help illustrate technical articles about fine construction, and yours are exactly what we're looking for. Your entry will serve a long-term purpose.

Please keep in mind that it is the facility itself which is listed as the award winner, and it is the facility's owner, manager or designated representative to whom you should give the certificate after you return from the Technical Meeting. An order form for additional certificates, photos or plaques is enclosed should you wish to order a duplicate copy of the award certificate for your own offices; you may also wish to reward others who contributed to the project by ordering a copy of the plaque or certificate for them as well.

Congratulations again on having your outstanding work recognized by your peers. Thank you also for taking the time to enter - as you can see, it was well worth the effort.

Sincerely,

Cynthia M. Jordan
Director of Meetings & Member Services
